1	US, Cal and Cal App Reports, Digests, and various current and old treatises. Online cases, first, often fail to reproduce italicized words or emphasis added by the court, second, footnotes are uniformly "endnotes" which makes it difficult to match as to the majority, concurring, and dissenting opinions. Only a volume in hand resolves these problems. This also applies to online treatises and law reviews. One online problem I have experienced is somebody's thumb print obscuring a critical passage, and blurred reproductions.	2/4/2022 3:48 PM

1	The value of the library is increased by the availability of a law librarian who can help direct research. This enhances the ability to connect remotely with the State Law Library or other institutions where the staff only communicates by email.	2/4/2022 3:48 PM

## Q7 Is there anything else you would like the Yolo County Law Library Board of Trustees to know about the Law Library?

Answered: 16 Skipped: 29

1	In the last 20+ years I have had the pleasure to meet some really fine librarians. The current librarian, is fantastic. She is very committed to helping find material in house or through inter library loan. Also, the law Library is a great resource for ordinary people and its existence creates a positive attitude in the general public. The increasing cost of legal representation means there is a greater self reliance by the public on matters important to themselves, but too small to engage a private attorney.	2/4/2022 3:48 PM
2	I appreciate having the library and its resources available. Thank you!	1/14/2022 7:08 AM
3	Make its existence better known to Yolo attorneys?	1/13/2022 8:15 PM

7	'Stiff competition' with the Mabie being so close; however, with it now closed to public (including attorneys) there is a real opportunity for the Yolo County Law Library to fill a need (especially if it is via remote access). Thank you for conducting this survey.	1/13/2022 1:10 PM
8	The Law Library is exceptionally valuable to sole practitioners. The computer and online materials are cost prohibitive to a solo attorney.	1/13/2022 1:04 PM
